RESPONSE IAP5 Rec'd PCT/PTO 23 JUN 2006

Due 17 November 2005 to Written Opinion of the International Searching
Authority mailed 17 August 2005 in respect of International Patent Application
PCT/IB 2004/004261

I. AMENDMENTS

In the claims

Please amend the claims presently on file in the present application as set forth on the enclosed copies of pages 14 and 17 on file, on which insertions are underlined and deletions are struck out.

In the specification

Please amend pages 1 and 3 of the description presently on file as set forth on the enclosed copies of these pages, on which insertions are likewise underlined and deletions are struck out.

Clean copies

Clean copies of amended pages 1 and 3 of the description, and clean copies of amended pages 14 and 17 of the claims are also enclosed.

II. REMARKS

1. Basis for amendments

A. The basis for the amendments to the original claim 1 can be found in original claim 10. Editorial changes have also been made to both original claims 1 and 10.

B. The amendments to original pages 1 and 3 of the description have been made as appropriate to conform the description to the amended claims 1 and 10, and to cater for those countries which require conformity between the brief statement of the invention and the claims.
